

CUSTOMER TESTIMONIALS

Judy and Tammy made the whole process simple, enjoyable, and speedy. I truly believe their knowledge of the Austin market, and the impending upswing, helped us secure a contract so quickly."

--Denise Mutschler (South Austin Seller)

"I am very relieved and happy... Working with you and your mom has been a very smooth transaction and we could not have asked for more."

--Sreejaya Dronadula (Wells Branch Seller)

"I have a unique perspective on Tammy as she worked at my company in a previous life and has also been my real estate agent through 3 transactions. As my real estate expert, she has helped me sell two homes and purchase one. When selling my two homes I had two primary goals: a) to sell quickly as I didn't want to deal with boarding my dogs and b) to secure me reasonable \$ for my homes. She accomplished both with phenomenal success. I highly recommend Tammy in any capacity you are considering her. If she ever chooses to leave real estate, I have a spot for her."

--Mike Wallen (North Austin & Round Rock Seller & Central Austin Buyer)
